

Measurement Committee

Amendment No.19

to

AC72 Class Rule Version 1.1: 22nd February, 2011

Remove:

5.10 The **sailing weight** shall be between 5720 kg and 5920 kg.

Replace with:

5.10 The **sailing weight** shall be between 5730 kg and 5930 kg.

Remove:

5.11 The **sailing weight** in rule 5.10 includes an estimated weight for permanently mounted ACRM equipment of 180 kg, not including ACRM equipment in the **wing**. If the weight of this ACRM equipment exceeds or is less than 180 kg, the **Measurement Committee** may adjust the permitted **sailing weight** range as permitted by rule 4(a) to correct for the difference.

Replace with:

5.11 The **sailing weight** in rule 5.10 includes an estimated weight for permanently mounted ACRM equipment of 194 kg, not including ACRM equipment in the **wing**. If the weight of this ACRM equipment exceeds or is less than 194 kg, the **Measurement Committee** may adjust the permitted **sailing weight** range as permitted by rule 4(a) to correct for the difference.

Remove:

10.13 **Wing** weight as recorded in rule 10.12 includes a weight allowance for:
(a) permanently-mounted ACRM media equipment of 21.5 kg:

.....
Replace with:

10.13 **Wing** weight as recorded in rule 10.12 includes a weight allowance for:
(a) permanently-mounted ACRM media equipment of 16 kg:

This amendment is issued in accordance with Rule 4 (a) of **AC72 Class Rule** Version 1.1: 22nd February, 2011.

Issued by:

Nick Nicholson, Chairman
Shaun Ritson
Carlos de Beltrán
AC 34 Measurement Committee

Approved by:

Iain Murray
ACRM Regatta Director

The **Regatta Director** affirms that this amendment to **AC72 Class Rule** Version 1.1 has been approved in accordance with **AC72 Class Rule** 4 (a).
